

→ BECOME A BUSINESS SUPPORTER

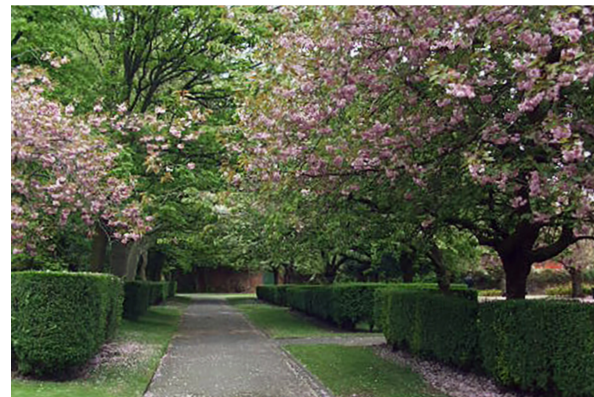

Make it your business to be a part of Green Sefton's ambition for a cleaner, greener and more beautiful Borough for all.

About us

Green Sefton is a service within Sefton Council that is responsible for managing an array of incredible outdoor spaces from the coast to parks and sports pitches, and all the open spaces in between, to ensure that our communities have safe access to enjoy the outdoors.

We not only put people at the heart of what we do, but also the environment and the rare plants and animals that call Sefton their home. Whether it's increasing biodiversity through the planting of wildflower meadows, improving grassland habitat for our pollinators or removing invasive species at our beaches to help rare sand lizards to thrive. We really are putting the 'Green' at the forefront of all we do in Sefton.

Our Impact

Each year our small team of officers work alongside a range of partners including the business and commercial sectors, community organisations, education establishments and volunteers to together maintain Sefton's green spaces and coast for today, tomorrow and for future generations.

Annually we:

Empty more than 1,000 bins across 183 sites

Look after 91 public sports facilities

Take away 2,340 tonnes of rubbish from our parks, beaches and green spaces

Maintain 106 playgrounds, outdoor gyms, skate parks and multi-use games areas

Plant around 3,000 new trees and manage 90,000 existing trees

Work with more than 40 community groups supporting over 44,000 hours of volunteer time

Welcome hundreds of thousands of visitors to our 22-mile environmentally sensitive coastline

Protect and manage 6,500 hectares of the landscape – that's 32% of the Borough itself, equivalent to 7,800 football pitches

Why we need your help

We've built great relationships with small and large businesses across the Borough for many years. Since 2014, they've contributed approximately 1,500 hours involving 250 volunteers through litter-picking activities and maintenance at some of our most popular Green Sefton sites.

They've made a big difference already, but as we face ever increasing concerns about the impact of climate change on our planet, we want businesses to join forces with us on projects and activities that can really make a difference to act on the climate emergency.

What's more, is that your business could also help to support the people of Sefton. It could be helping a child to have access to grassroots sports, a community group to grow their own produce or a young person to gain work experience in a career they never thought was open to them.

Your support could make a real change to our special places and our amazing residents.

How you can get involved

YOUR SUPPORT

→Your support

We welcome the support of any business in Sefton and have a whole host of ways that you could play a role in our work.

You could give some of your time, or that of your team, or help financially to support the work of others.

No matter how big or small your contribution, it will make a real difference.

How you can get involved

GREEN SPONSORSHIP

→ Green sponsorship

Give biodiversity a boost in our Borough by supporting us to manage more places for nature. Help us to plant more trees, to create wildflower meadows and to undertake habitat works to assist protected species on the coast.

plant more trees • create wildflower meadows • undertake habitat works

How you can get involved

FACILITY SPONSORSHIP

→ Facility sponsorship

Ensure that our younger generations have safe and fun places to spend time outdoors. From swings to climbing frames, your support could provide better facilities for our children. We also have plenty of benches, bins and display cases just waiting for some TLC – maybe you could help?

facilities for children • benches • bins • displaycases

How you can get involved

SPORT SPONSORSHIP

→ Sport sponsorship

Could you help to give a young person access to grassroots sports like football, tennis and cricket or introduce them to a new sport like golf, BMX or basketball? We can help you to match coaching opportunities and lessons with youngsters who would otherwise not have access to these recreational activities.

football • tennis • cricket • golf • BMX • basketball

How you can get involved

APPRENTICESHIP SPONSORSHIP

→ Apprenticeship sponsorship

Give a school leaver or someone looking to switch careers the chance to get on-the-job training in horticulture or facilities management. Play your role in training the next generation of Green Sefton officers to ensure our beloved green spaces remain in good shape for years to come.

How you can get involved

TEAM BUILDING OPPORTUNITIES

→ Team Building

Give back to your local park or your favorite spot on the beach, while taking some much-needed time away from the workplace. Spend half a day or a full day with our expert officers undertaking activities that will protect our wildlife and improve the environment.

How you can get involved

OUR CONFERENCE FACILITIES

→ Utilise our conference facilities

Extend your team building days with a visit to the Crosby Lakeside Adventure Centre for the use of indoor conferencing facilities or for the a chance to reward your employees with some outdoor pursuits on the lake.

How you can get involved

MEMBERSHIPS OR ONE OFF DONATIONS

→ Memberships or one off donations

For those unsure exactly how they would like to help Green Sefton, they could be in a position to make a one off donation or become a regular giver to help support many of the activities already outlined.

What do you get in return

There are so many benefits for you, your business and your communities by pledging to support the work of Green Sefton.

It's knowing that you have:

→ Benefits for you

We'll also work with you to ensure that your support is acknowledged across our website, social media and on-site at locations where you have made a difference.

It might be through a good news story shared with local media, images distributed across the Council's social media and Green Sefton webpages, or permanent signage or advertising at the location you've chosen to offer your support.

Contributed to reducing the impact of climate change

Improved facilities for all residents and visitors to the Borough

Protected rare habitats and species

Sustained and improved the health and wellbeing of young people living in Sefton

Helped to preserve the heritage of Sefton's historic parks and green spaces

Kickstarted careers in horticulture, conservation, land and facility management

Increased opportunities for young people to engage in sport

Given back to your communities and improved your own physical health and mental wellbeing

Ultimately made Sefton cleaner, greener and more beautiful
